

regulation of intracellular pH, GO:0051453

solute:proton antiporter activity, GO:0015299

sodium:proton antiporter activity, GO:0015385

potassium:proton antiporter activity, GO:0015386

inorganic anion transport, GO:0015698

inorganic anion exchanger activity, GO:0005452

bicarbonate transport, GO:0015701

sodium ion import across plasma membrane, GO:0098719
