

keratin filament, GO:0045095

epithelial cell differentiation, GO:0030855

peptide cross-linking, GO:0018149

dystrophin-associated glycoprotein complex, GO:0016010

apical junction assembly, GO:0043297

mRNA cleavage and polyadenylation specificity factor complex, GO:0005847

structural constituent of epidermis, GO:0030280
