

heart looping, GO:0001947

neuron migration, GO:0001764

neuron differentiation, GO:0030182

positive regulation of angiogenesis, GO:0045766

forebrain development, GO:0030900

regulation of ion transmembrane transport, GO:0034765

fat cell differentiation, GO:0045444

positive regulation of endothelial cell proliferation, GO:0001938

hippocampus development, GO:0021766
