

thiol-dependent ubiquitin-specific protease activity, GO:0004843

- 
- cysteine-type peptidase activity, GO:0008234
 - thiol-dependent ubiquitinyl hydrolase activity, GO:0036459
 - metallopeptidase activity, GO:0008237
 - protein deneddylation, GO:0000338
 - protein K11-linked deubiquitination, GO:0035871
 - Lys48-specific deubiquitinase activity, GO:1990380
 - lateral ventricle development, GO:0021670
 - locomotor rhythm, GO:0045475
 - endopeptidase inhibitor activity, GO:0004866
 - negative regulation of macrophage activation, GO:0043031
