

axon cytoplasm, GO:1904115

- 
- anterograde axonal transport, GO:0008089
 - intracellular transport, GO:0046907
 - nuclear envelope organization, GO:0006998
 - GABA receptor binding, GO:0050811
 - cytoskeleton-dependent intracellular transport, GO:0030705
 - anterograde synaptic vesicle transport, GO:0048490
 - positive regulation of dendrite morphogenesis, GO:0050775
 - neuroblast proliferation, GO:0007405
 - phospholipase A2 activity, GO:0004623
 - BLOC-1 complex, GO:0031083
 - melanosome organization, GO:0032438
 - neural crest cell migration, GO:0001755
 - BORC complex, GO:0099078
