

intracellular transport, GO:0046907

developmental growth, GO:0048589

regulation of glycolytic process, GO:0006110

regulation of gene silencing by miRNA, GO:0060964

mRNA transport, GO:0051028

protein targeting to Golgi, GO:0000042

tRNA export from nucleus, GO:0006409

NLS-bearing protein import into nucleus, GO:0006607

skin development, GO:0043588
