negative regulation of signal transduction, GO:0009968

insulin receptor signaling pathway, GO:0008286 R-SMAD binding, GO:0070412

regulation of tyrosine phosphorylation of STAT protein, GO:0042509

glycogen metabolic process, GO:0005977

R-SMAD binding, GO:0070412 proteasomal protein catabolic process, GO:0010498
